smart, easy ways to use the writing center

LIVE ONLINE CHAT APPOINTMENTS

Getting started with an assignment can sometimes be the hardest part! If you are looking for an opportunity to **ask quick questions, brainstorm, or just discuss your ideas** with a writing mentor, our convenient online chat appointments work well for this stage of the writing process. Chat from home or work and choose an appointment time that works for you!

FACE TO FACE CONSULTATIONS

Have some time between classes? You can stop by anytime between 8am and 9pm to talk with one of our consultants. **You don't have to have a full draft or be finished with a piece of writing to stop by.** We work with any writer at any stage of the writing process. Stop in for a quick 30 minute appointment or stay for a full hour. It's up to you! Reserving an appointment is easy through our online scheduler.

CORRESPONDENCE APPOINTMENTS

When you are almost finished with a piece of writing, it's always a good idea to share your writing with someone who can help you look for ways to **improve and polish a draft.** We have special online appointments where you can upload a draft to a reservation and receive feedback and guidance from a consultant before the end of the day. This is especially convenient if you are unable to make it to campus.
